## New Belle Glade-Pahokee Road Given SRD Priority

### RECENT OPERATIONS

By Paul Rardin

In one paragraph, with just as much sincerity as I can command, I want to thank each and every person for the splendid cooperation shown during the past few months in finally securing from the State Road Department a pledge to build a new road between Belle Glade and Pahokee. To the members of the 10-man committee, who offered a compromise location for the road, to all county officials and members of the Resources Development Board, all civic organizations and last but least, to members of the State Road Department, I am indeed grateful. It has been a long hard battle entailing many trips to Tallahassee and other cities where the SRD was in session. But, I've enjoyed every minute of it. Our job is not yet complete. We must keep the SRD reminded every so often that they have made us a promise and we expect fulfillment in the not too distant future.

I had the pleasure of speaking before the Lions Club in Pahokee on Tuesday and the Lions group in Belle Glade on Wednesday of this week. What do you suppose I talked about? That's right! The new P-BG road. At conclusion of my talk in Belle Glade in which I enumerated the many different pieces of road work secured for the Glades during the past two years, President Ralph Kirk presented to me a handsomely engraved "Certificate of Service," and his remarks were most gracious and magnanimous when he said that it was being awarded by the club for two years of excellent work in behalf of better roads in the Everglades. To say that I was pleasantly surprised and grateful is putting it mildly.

### New Doctor Plans Move To Pahokee

Dr. and Mrs. Graham of Homestead were visitors in Pahokee this week where they plan to move and Dr. Graham plans to open an office. He is on terminal leave from the army. A house and an office were scarce items on the doctor's list during the week, but, it looked better before he made the return trip to Homestead and in all probability he will come to Pahokee to make his home soon.

### ODD HAS BUSTED RID

O. L. Flynn is hobbling around this week with a busted rib and two or three other ribs badly bruised as result of a fall from his tractor last week. He received the injury when he slipped and fell across the drawbar.

### Tale Of Two Cities

(An Editorial from the Palm Beach Post)

The members of the State Road Board did a rather unusual thing yesterday.

After hearing spokesmen for the road-hungry folks in the Glades present a plea for a new trunk highway between Belle Glade and Pahokee, the members congratulated the groups for their united stand.

There was no undignified squabbling before the commission. There was no acrimonious debate between rival interests.

There had been, of course, months of it. Sometimes bitter and personal in nature.

But all that was dead and buried when the time came to present a demand to the State Road Department. In their own good time, the people in the Glades had resolved their differences. In the democratic give-and-take of open discussion, antagonistic opinions had been fused into a single sense of purpose that was a lesson in community living for those who were privileged to attend the road hearing.

They need roads badly out there in the Glades. It's virtually a matter of economic life or death.

Naturally, in an area that needs highways as desperately as the Glades, there is bound to be intense rivalry of interest in the routing of each new road.

Road-building history in the Glades has been a serial story of bickering and diffusion of energy. There have been occasions when the State Road Department commission, finding the Glades people locked in a hopeless death grapple of this kind, has shrugged its collective shoulders and passed on to other matters.

But the folks in the Glades have learned their lesson—a lesson which the people on the coast have yet to master. They want and need that trunk highway between Pahokee and Belle Glade. Shelving their conflicting private opinions, they turned to the State Road Board yesterday and said, in effect: "Build the road where you like, within certain geographical limitations, but build it immediately."

### THEY LOCATED NEW HIGHWAY

Here is the list of men on the 10-man committee who agreed on a location for the new highway between Pahokee and Belle Glade:

From Belle Glade:

Junius Harris  
Howard Haney  
E. M. VanLandingham  
W. P. Rist  
Thomas Bregger  
From Pahokee:  
Marshall Lair  
Harry McIntosh  
T. W. Knight  
Frank Rozelle  
T. C. Richardson

These men deserve a great deal of credit for the effort they put forth in this splendid piece of work. Their recommendation to the SRD will be followed as closely as possible, it was pointed out by SRD officials.

### Signal Lights Are Now In Pahokee

The signal lights are in place at the railroad crossing near the light plant in Pahokee. Danger of approaching trains on the blind crossing will be heralded by a bell and two flashing red lights. Citizens of the community are grateful for erection of these warning signals.

### Shell Concern To Have Distributor In The Lake Region

The Lake Okeechobee Region will soon have another oil and gasoline distributorship when the Shell concern opens for business in Belle Glade, according to an announcement made this week by Paul Sasser one of the members of the new distributing concern.

Mr. Sasser, his brother Herman, and Paul Bearden of Belle Glade are members of the new concern and already they have a lot of in Belle Glade on which to build the new bulk plant. Just as soon as materials are available, Mr. Sasser said, construction work will begin on the new plant.

Mr. Sasser said that the new bulk plant will serve the entire Lake Okeechobee Region and that outlets through service stations will be sought just as soon as products are available from the new plant. At present the new Shell station in Canal Point, operated by Paul Sasser, is being served from Tampa. Later Shell products will be brought in from Port Everglades at Ft. Lauderdale.

The Canal Point station—to be known as Paul's Service—is located

Monday, October 21 should go down in history as a red letter day in the Glades. For, on that day the State Road Department in session in West Palm Beach promised to build a new road between Pahokee and Belle Glade. A road that is needed because the economies of the two towns are closely related and adequate transportation facilities must be made available if the two towns are to maintain their outstanding places in the growing and marketing of agricultural products.

Monday's concession from the SRD came about as the result of unified effort on the part of all concerned in the Glades. Pahokee and Belle Glade got together on location of the road and a ten-man committee backed up County Commissioner Paul Rardin when he presented a resolution from the county board asking for the road. The resolution from the county board asking that SRD make construction of No. 1 in 1947, came by unanimous vote after Rardin asked his board to request the SRD to put the Glades project at the head of the list.

Unanimity was displayed at the SRD meeting when request was made for the road and so outstanding was this unanimity that Chairman Bayless of the SRD suggested that a resolution of thanks be passed by his board, in which all groups in the county were recognized for their excellent cooperation in presenting a request that seemed to be the unanimous opinion of all concerned.

Rardin in presenting a second resolution to the SRD offered the services of Palm Beach county's engineer and a engineering party to survey out a right-of-way for the new road in order to expedite construction. The SRD accepted this offer on the part of the county board.

Now, all that remains is to keep the SRD reminded that folks in the Glades are looking forward to the day when the first shovel full of dirt will be moved in construction of the road.

### City Buys Rock To Repair Streets

The Pahokee city council agreed Tuesday night to buy three carloads of rock for street repair in Pahokee. Marvin Cowart, street superintendent, will have charge of the repair work when the rock arrives. Recently the council purchased a cold-patching kettle which will be used by the city forces in keeping the street in good repair.

### GROWERS TO MEET IN BELLE GLADE MONDAY

In order that growers may discuss the weight picking plan another meeting has been called for Monday night at the Belle Glade city hall. All growers are urged to attend and tell whether or not the plan is working out satisfactorily.

### South Broward Is Blue Devils Foe On Lair Field Tonight

Looks like a real thriller is in store for local football fans when the Pahokee High Blue Devils face the powerful South Broward Bulldogs of Dania on Lair Field tonight in the second home game for the local eleven. School officials announce there will be twice as many seats available at tonight's game as there were at the first home game, thanks to the Belle Glade High School which is cooperating with the Pahokee High School in the mutual loan of each other's portable bleacher seats at home games.

The Bulldogs will enter this contest with good records so far this season. The Blue Devils have three victories and one scoreless tie to their credit and the Bulldogs also have won three victories and met with one defeat by the hands of the Miami Beach eleven, chief contender for the Gulfstream Conference championship. South Broward will have a definite weight advantage both in the line and the backfield and their 13 to 0 win over Ponce de Leon gives their forward wall a better rating than the Blue Devils'.

Coach Clyde Alley considers the Bulldogs more versatile and harder driving than any team the Blue Devils have met so far this season and has been working his men hard in practice session this week in preparation for the game tonight. The squad as a whole appears to be in good physical condition. No important changes have been made in the first string lineup.

In defeating Delray Beach, 37 to 14, last Friday night the Blue Devils demonstrated what they

### Market Weak As Beans Roll North

The 1946-47 bean deal is on! Beans are moving in carlots and growers are wondering from day to day what to expect from the market. Wednesday the market was weak, so said one of the Lake Region's oldest buyers.

On Monday of this week tendergreens brought \$3.35 per hamper and by Wednesday the same kind of beans were selling for \$2.50 per hamper.

On Wednesday Florida Belles brought \$2.25 while bountifuls and plumpfins brought \$2.00 for a 30 pound hamper.

Joe Hatton picked a couple of cars of Blackies on Wednesday and they sold for \$3.10 and \$3.15.

Beans from other sections of the country are hitting the northern markets and, of course, those shipped from this area are meeting stiff competition.

## Foolish Citizens

Those violent citizens of a village in Georgia who threatened a poor old editor because he wrote in his gazette that "in country counties ignorance and prejudice rule and there is a negro problem but in the cities where education and enlightenment reign Carmichael piled up a huge vote" ought to be ashamed of themselves. The behavior of these citizens was of the kind that might be expected from pickets in Detroit. What the old editor said was silly. Education and enlightenment are distributed in about equal ratio in the country and in the cities, but in the cities roughnecks and semi-imbeciles are more easily herded than in the country. The reporter now writing has "covered stories" of political meetings, in great cities, attended by 5,000 or 10,000 people, and they applauded speakers whose statements were of an ignorance pathetic. Once he heard, in a Northern city, a great mass of people yell with delight when the politician praised Jackson who "stood like stone wall." Both the audience and the orator thought the allusion was to President Jackson, "Old Hickory." At that time it was a sin in a northern city to pay tribute to General Thomas J. Jackson. In the cities, the specialties in professions and trade dwell, and so numbers of minds narrower than the average mind in the rural districts. — Charleston (S. C.) News and Courier.

## Ministers Perfect New Association

The ministers of the Pahokee-Canal Point area met in Pahokee recently to discuss the work of the churches. Those in attendance were A. J. Lively, W. T. Blair, C. T. Howes, C. R. Moore, C. A. Moberg, and J. M. Gresham. A motion to the effect that a Ministerial Association be formed, made by Moberg and seconded by Moore, was unanimously carried.

The meeting of the Association were set for the first Monday in each month. The group agreed that the Officers of the Association are to be elected at the time of the regular October meeting. C. R. Moore was elected to the office of Chairman. W. T. Blair was elected a Secretary.

At this point the meeting was turned over to new officers. Discussion of the program for the coming Thanksgiving period was taken up. It was decided that a Union Service of Thanksgiving in each town would be held, as in the past years. In order of rotation, the Pahokee service will be held in the Nazarene Church. The service in the past has been held on the Wednesday night before Thanksgiving but because of a local conflict in dates, it was deemed advisable to hold the date open until the November meeting. The minister of the Nazarene Church will make the arrangements for the service. The offering will go to the Florida Children's Home Society, Jacksonville. The motion was made by Howes, seconded by Gresham, that all ministers cooperate fully in this service, and in the duties assigned each by the minister in charge.

Howes sought the opinion of the

Association on the advisability of an area-wide concerted effort by all churches to stimulate church attendance. The group was unanimous in its approval of a Go-To-Church Campaign to lift up before the people the call for church attendance.

Gresham suggested a Youth Rally to be held at least once a year, sponsored jointly by the churches represented in the Association. It was pointed out that the church programs are, in general, completely filled for the rest of 1946.

It was reported that a bus from the Baptist Church now can bring 65 people from the migratory camp to the churches of Pahokee.

## Circle Considers Vegetable Canning

The canning of vegetables for overseas relief was discussed as a project for the year by members of the Gertrude Shirley Circle, Pahokee Methodist WSCS, at a meeting in the Victory classroom of the Church School Tuesday night.

Mrs. Dorothy Graham, chairman, named Mrs. Catherine Spencer, Mrs. Sue Rozelle, Mrs. Lillian Beverly, Mrs. Mary Cushman and Mrs. Vivian Cauldill on a committee to select a member of the circle to whom a WSCS life membership will be awarded. Mrs. Graham also appointed a church floral committee for the month of November.

Following the meeting the second of a series of mission studies on "The Family and its Christian Fulfillment" was presented by Mrs. R. J. Schroder, mission study chairman. Approximately 30 were present.

## Bible Class Works For Its Goal Of 200

The special effort to enroll two hundred in the Pahokee Men's Bible Class is meeting with success, thanks to the increase each Sunday. Mr. Thurmond Knight, membership vice president and his group captains are directing this program. Groups headed by Paul Watson and J. R. Miller continue to lead the class.

A contest will be entered into beginning Sunday a week to terminate Sunday November 24th. The system of points will be explained this Sunday. All captains are asked to make a special effort to be present. The three highest will be honored accordingly at the buffet supper for men and boys scheduled for Monday November 25th. Dr. Russell Williams will be the speaker. The oldest and youngest fathers will be recognized as will the oldest for Monday November 25th.

This Sunday the class quartet will present its usual splendid program of songs. The teacher, Rev. C. A. Moberg will continue the series of lessons on the life of Paul one of the world's greatest characters of all time. This Sunday's subject will be "Paul's Widening Field of Service." The Bible recognizes three classes of people and to these Paul preached. All are invited to bring their Bibles and with the teacher discuss these classes.

A most cordial invitation is extended to all unaffiliated men and visitors to attend. The class meets Sunday mornings at 9:45, Fellowship Hall on Bacow Point Road. The greeters selected by Fellowship Vice President Claude Shirley to serve this Sunday are A. P. Bush and R. A. Burch.

## Quartet To Appear In Pahokee On Nov. 5

The Sunny South Quartet of Tampa radio fame will present a special program in the Pahokee High School auditorium on the night of Tuesday November the fifth at eight o'clock. It will be sponsored by the P. T. A. The student tickets are on sale at the high school office for thirty five cents. The adult tickets are priced at one dollar and can be purchased from representatives who will make themselves known. Because of the limited seating capacity a limited number of tickets will be sold. All interested are urged to arrange accordingly. This musical group is worth traveling miles to hear. In addition to this treat for Pahokee, all should be interested because of the benefit that will be derived by the P. T. A. President Carl Moberg respectfully solicits the cooperation of all.

## Special Sermons Draw Large Crowds

A more than capacity congregation attended last Sunday night's preaching service at the First Baptist Church of Pahokee. The special series of sermons on "Why Southern Baptists are Not affiliated with the Federal Council of Churches" is provoking much thought in view of the Scriptural teaching relatives to the apostate Federated Church of the future as found in Revelation the 17th chapter.

This Sunday the pastor, Rev. C. A. Moberg will discuss this chapter. What is meant by Babylon? What about the color scarlet? The Santanic Trinity? Mystery, Babylon? The seven heads and ten horns? All attending are invited to bring their Bibles and take notes as these questions are answered. This was not intended to be a series but because of the interest the sermons will be continued.

The musical family of some fifty orchestra, choir and quartets will augment the "Illuminated Cross Meditation Sing." At the morning hour of eleven in order that the night sermon might better be understood the pastor will preach on "Satan the Imitator of God." The ladies quartet will present a special selection "Jesus, Saviour Pilot Me." The members are the Mrs. R. Grimes, T. Knight, C. Baker and C. Moberg.

## On Playing the Fiddle Badly

—with nothing more exciting than old songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—that than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

Because the spirit of harmony is there—harmony between folks who like each other's company, who enjoy the simple, homesy atmosphere

## Life On The Campus

AT PAHOKEE HIGH SCHOOL

New City Administration! The girls of the American History classes, elected by the school, took office at 9:30, October 21. Mayor McLarty, and Chief of Police, Lois Morgan, divided the councilwomen and deputies into the different departments, such as sanitary, utility, etc. Several cars were tagged for improper parking, and a few violated the speed limit laws. Among the first to receive a ticket for parking, was Mayor Richardson, who was relieved from court appearance by paying up bond. After a very busy day, the acting city officials held court at the Pahokee City Hall, at 7:30 p. m. last night. During court session, Mayor McLarty presented Mayor Richardson with the following recommendations drawn up by the acting councilwomen:

1. That 2nd Avenue be paved and all right-of-ways on 1st, 2nd, and 3rd Avenues be cleaned.

2. That all rubbish be removed from alleys.

3. That steps should be taken to have all vacant lots cleaned by the property owners.

4. Streets and sidewalks on Biscayne Point Road should be repaired.

ed and trees should be trimmed.

5. That the city of Pahokee, regardless of under whose department it falls, should clean negro town of all rubbish and correct all sanitary conditions. That the city should also recommend to the Palm Beach County School Board that an indoor toilet should be installed in the negro school.

6. That all sidewalks be repaired and should be free from rubbish.

7. That drivers should not be allowed to drive and park on sidewalk in front of school building.

8. That steps should be taken to beautify from road to sidewalks on East Main Street.

9. West Main Street should be paved and parking should be regulated to more of an angle.

We the students of Pahokee High School extend our sympathy to Mrs. Frank Colson, in her recent loss.

We are glad to have Mrs. Robina Blakely in the absence of Mrs. Frank Colson.

Mr. Lampi was Master of Ceremonies during last Friday's assembly program. The band played several Boogie Woogie numbers.

Mr. Lampi seemed to know exactly what the students would like. It was a very good program.

Report Cards went out Monday. We hope everyone was happy.

There will be a F. F. A. meeting Thursday night.

### YOUNG PEOPLE'S UNION

Roy O'Neal was recently elected Membership Vice President of the newly organized older young people's union of the First Baptist Church of Pahokee. His campaign to enlist all the members of the church eligible for this union is meeting with success. At the regular meeting this Sunday at 6:30, a name for the union will be discussed. President James Harry Wilkinson will lead. Social vice president Mrs. J. H. Wilkinson will report on the spaghetti supper proposed last Sunday.

### Singing Convention Will Meet Sunday

Palm Beach county singing convention will meet at the Landmark Baptist church in Canal Point on Sunday, Oct. 27. An all day sing will be enjoyed and the folks are invited to bring well filled baskets. Fish and Swamp cabbage will be served. Dinner will be served at the noon hour and those interested in details are urged to get in touch with Rep Cowart in Pahokee.

## TWO REGIONAL FLAVOR FAVORITES TO REMEMBER

### ROYAL POINCIANA POMFANO

**RECIPE:** Use 1 1/2 cups cooked shrimp; 2 eggs; 1 cup heavy cream; 1 large pompano fillet; 1/2 cup finely chopped celery; 1/4 cup lemon juice; 1/4 cup green pepper, chopped; 1 minced onion; 1 small egg and half of the cream together. Mix shrimp, mushrooms, onion, celery, green pepper and seasoning... then stir in eggs and cream until smooth. Put mixture on one half of the pompano; sew the two halves together and put in a baking dish. Pour remaining cream over fish and bake in moderate oven forty-five minutes. Serve with sliced tomatoes and cucumbers, hot rolls, and frosty JAX Beer. Serves six.

JAX has mailed \$5.00 to Mrs. E. V. Bjorkman, Ormond Beach, Florida, for this tempting regional recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

AND MELLOW, FLAVORFUL **JAX** BEER!

You'll be pleased... and your friends will be pleased when you serve this delightful regional combination.

ROYAL POINCIANA POMFANO and the Southeast's

favorite Drink of Friendship, golden JAX Beer. It's a grand meal... a delectable combination, each flavor enhancing the rich goodness of the other.

And, for the after-dinner leisure hours when mellow refreshment is in demand, serve sparkling JAX Beer, for JAX is equally fine when enjoyed by itself... as well as an accent on fine dining. Try this pure, delicious beverage today... a great regional beer, brewed particularly to please you.

## IS YOUR LIVER CRYING FOR HELP?

because of constipation or faulty digestion? If you feel bilious, sour, bloated with gas, headache, blue, gassy, you may be putting too big a load on your liver. Undercooked, under-digested food becomes putrefactive, causes toxins, which overload the liver, keeping it from working properly. Now is the time to relieve your liver of its load. Let the body and nature sweep the putrefactive and partially digested matter from your stomach and intestines. Nothing acts just like good old Calotabs. Use as directed. 100 and 200 at your druggists.

## Pahokee Council Accepts Tax Roll

The Pahokee City Council at a regular meeting Tuesday night accepted the 1946 municipal tax roll as submitted by Clerk W. F. Walker. On the roll is listed taxable property with the assessed valuation of \$1,319,423.00 from which the city will collect \$24,167.17 in taxes.

Plans were made to reassess all property within the city limits for the 1947 tax roll. It was voted to employ the services of a special tax agent who will cooperate with the city tax commission in the re-assessment program.

Marvin Cowart, streets superintendent, was authorized to purchase a carload of rock a month for the next three months for street-construction and repair.

It was voted to have the city erect poles for new street lights in sections of the city where there are not a sufficient number of utility service poles.

A motion was passed forbidding any employee of the city to make purchases for the city until a requisition slip is received from the city clerk's office.

It was voted to spend \$100 in city advertising in the souvenir program being prepared for the National Convention of the National League of Wholesale Fresh Fruit and Vegetable Distributors which is to be held in Palm Beach in January.

Bud Harvey, Palm Beach Post-News reporter, was guest speaker at the luncheon meeting of the Pahokee Rotary Club on Thursday of last week. Introduced by President P. deMoya the speaker gave a talk on his experiences in newspaper work.

The club went on record as approving the new proposed state highway between Pahokee and Belle Glade, as recommended by a 10-man Pahokee-Belle Glade committee following its recent study of the most feasible location for the new highway.

## Cub Scouts Hold First Fall Meeting

Cub scouting activities got underway in Pahokee last weekend when Den One of Pack 23 held its first meeting of the season at the home of Mrs. Frank Rozelle, den mother, Friday afternoon.

Den officers elected were George Rozelle, den chief; Jimmy Rozelle, denner; Calvin Padgett, assistant denner; Don Adams, keeper of the buckskin; Chuck Elliott, music leader; and Billy Crews, mascot. Mrs. Rozelle will be assisted in her den work this year by Mrs. Christopher Elliott and Mrs. Mike Hope-rich.

Plans are being made to get the other two dens of Pahokee Cub Pack 23 on the active list within the next few days. Den meetings will be held regularly once a week and a pack meeting, once a month.

## Knights Of Neptune Get New Members

The future fish fry program of the Pahokee Men's Bible Class is receiving special attention by the newly elected junior boy's Sunday School teacher Bishop Starling. Last Saturday he and his group went to No. 10 Spillway and demonstrated their ability to the extent of qualifying for membership in the recently named organization "The Knights of Neptune." C. R. "Bud" Wroten, social vice president, is the leader. The program came to a close with the frying of fish et al. Juniors Bobby Carlton, Danny Mullis, Tommy Sheppard, Charles McCurdy and Gene Caruthers completed the party. According to the teacher this is just the beginning of many good things to come.

really can do when they get their dander up. Expecting the game to be a breather, the Pahokee eleven fooled around the first quarter and let the period end with Delray leading 7 to 6. Shocked into action by this surprising turn of events, the Devils shifted into high gear in the second quarter and ran five touchdowns, Rodney Connell tallying two, Thomas Dickson, two and Floyd Peacock, one. The second half proved a field day for the reserves, when Coach Alley put everything he had in uniform on the playing field.

## Independent Foot Ball Team Is Plan

An independent foot ball team is being organized in the Glades and E. H. Browning, former Belle Glade coach and now Pure Oil distributor, is making an effort to get enough fellows together to make enough opposition for other teams. Several fellows from Pahokee have joined the Browning-Coached aggregation and it looks like a fairly good team might be the result.

Browning said that tentative plans call for games with Ft. Pierce, Stuart, Lake Wales, Tampa U. and the junior varsity team of Rollins. Fellows interested are urged to get in touch with Coach Browning.

## Nov. 11 Celebration Plan Of Belle Glade

Plans are being made in Belle Glade for a big Armistice Day celebration on Monday, Nov. 11, according to an announcement made at the Lions club on Wednesday of this week. Mike Murphy will be in charge of general arrangements for the big day, it was said.

Festivities for the day will include a parade and barbecue and dedication of the new American Legion building. A big dance will bring the day's activities to a close.

## Barber Shop Adds One More Chair

Gene's barber shop is undergoing repair this week and plans call for addition of another chair. The interior is being repainted and Mr. Butler, proprietor, plans to refurbish the furniture. The three torsorial artists in the shop will be: W. M. Batchelor, Hugh Fraser and Mr. Butler.

Principal and Mrs. D. D. Caudill had as guests the past week his parents, Mr. and Mrs. J. E. Caudill of West Palm Beach.

**Halloween Party  
Bigger And Better  
Than Ever Before**

The feature attraction of the  
big Halloween party being spon-  
sored by PTA with the cooperation  
of civic organizations on Lair  
Field Thursday night, Oct. 31 will  
be the gay and colorful costume  
parade.

Mrs. Jess M. Elliott, parade  
judging and awards chairman,  
has announced plans for making  
this year's parade more outstand-  
ing and successful than ever be-  
fore. Children from preschool age  
through the eighth grade will be  
eligible to march in the parade.  
These will be divided into eight  
groups: preschool, first grade,  
second grade, third grade, fourth  
grade, fifth grade, sixth grade and  
seventh-eighth grade.

Thirty-two \$1.50 cash prizes will  
be awarded, four prizes to each  
group and the costumes will be  
judged by 24 judges, three for each  
group. In each group a prize will  
be awarded to the boy or girl  
wearing the costume most typical  
of Halloween, another prize to the  
boy or girl wearing the most com-  
ical costume and two prizes, one  
to a boy and one to a girl in each  
group judged to be wearing the  
most outstanding costume, either  
because of its beauty or its ori-  
ginality or its cleverness in depict-  
ing some character.

The parade scheduled to start  
promptly at 7:30 p. m., will be led  
by the Pahokee High School Band  
followed by the older children  
with the little toddlers bringing  
up the rear. Mothers who are  
planning to enter their preschool  
age children in the parade are asked  
to make arrangements with  
Mrs. Gene McIlvain (Phone 4311),  
who is chairman of that group.

Each of the eight groups will be  
judged separately and all 24 of the  
judges have been selected. The  
judges will meet in the school audi-  
torium at 7:15 before the start of  
the parade for final instructions  
from Mrs. Elliott.

**CHURCH OF CHRIST  
SCIENTIST**

"PROBATION AFTER DEATH"  
is the subject of the Lesson-Sermon  
which will be read in  
Churches of Christ, Scientists,  
throughout the world on Sunday,  
October 27.

The Golden Text is: "Blessed is  
the man that endureth temptation  
for when he is tried, he shall re-  
ceive the crown of life, which the  
Lord hath promised to them that  
love him" (James 1:12).

Among the citations which com-  
prise the Lesson-Sermon is the fol-  
lowing from the Bible: "Do all  
things without murmuring and  
disputings: That ye may be blame-  
less and harmless, the sons of God,  
without rebuke, in the midst of a  
crooked and perverse nation,  
among whom ye shine as lights in  
the world" (Phil. 2:14,15).

The Lesson-Sermon also includes  
the following passage from the  
Christian Science textbook, "Sci-  
ence and Health with Key to the  
Scriptures" by Mary Baker Eddy:  
"Occupy till I come!" Wait for  
your reward, and 'be not weary in  
well doing'. If your endeavors are  
beset by fearful odds, and you re-  
ceive no present reward, go not  
back to error, nor become a slug-  
gard in the race. When the smoke  
of battle clears away, you will dis-  
cern the good you have done, and  
receive according to your deserv-  
ing" (p. 22:14-20).

**\$50 Checks Given To  
Lions Sight Groups**

The Sight Conservation Commit-  
tee of the Belle Glade and Paho-  
kee Lions clubs this week each re-  
ceived checks in the amount of \$50  
from Paul Rardin to aid in carry-  
ing on the splendid work now in  
progress. The checks came from  
Rardin's publicity fund of the  
county commission.

**New Beverly Office  
Is Swanky Affair**

One of the swankiest offices in  
the entire Lake Okeechobee Region  
is that of Max E. Beverly, Inc.,  
vegetable brokers, located in the  
newly erected pre-cooling plant of  
the Jones Brothers company in  
Canal Point. The Beverly concern  
has a suite of rooms on the second  
floor and workers this week com-  
pleted their task of getting the of-  
fices ready for the new office furni-  
ture.

Words in the vocabulary of the  
farm editor of this newspaper are  
lacking when it comes to describing  
the handsome furniture in the  
Beverly office. The floor covering  
is something modern and up-to-  
date, the like of which this reporter  
has never seen before. On the  
boss' desk are three telephones  
over which the genial Max con-  
ducts one of the growing and out-  
standing vegetable brokers busi-  
nesses of the Lake Region.

**Diamond Ball Has  
Eight Teams Playing**

Dorsey Pugh, impresario of the  
Pahokee diamond ball league, said  
this week that eight teams have  
been invited into the league and  
that games are played on Tues-  
day and Thursday nights. In the  
league a new deal is planned in  
order that more interesting ball  
games may be the result. Win-  
ners will play winners and losers  
will play losers.

Several of the proposed teams  
are a little short on manpower and  
in case any reader is interested in  
playing he should get in touch  
with Dorsey Pugh or Rupert Mock.

**Mission Study By  
Group On Monday**

Mrs. Stella Mullis, mission study  
chairman, presented a mission  
study on "Missions in the Bible" at  
a meeting of the Little Moon Circle,  
First Baptist WMU, held Monday  
afternoon at the home of  
Mrs. J. C. Mock.

Read at the meeting was a letter  
from the Baptist Children's Home  
Arcadia, thanking the circle for a  
box of gifts sent recently to Miss  
Dorothy Thompson, the local  
WMU's protege at the home. It  
was announced that the next circle  
meeting will be held at the church  
on the afternoon of Oct. 28.

Dr. H. W. Blackburn, Methodist  
Church Miami District superintend-  
ent, was the guest of Rev. and  
Mrs. C. T. Howes the first of the  
week.

"SERVING THE GLADES"

## Cinematic Chatter

By Malcolm Millar

Music and action will be the fare of the week at the Prince Theatre for this coming week, and all shows look like good entertainment.

Sunday-Monday brings "Tangerine" starring Maria Montez and Robert Paige, with Louise Albritton, Kent Taylor, Sabu. J. Edward Bromberg, Reginald Denny and many other well known Hollywood players lending able assistance in unreeling this highly interesting story.

Paige is a discredited newspaper reporter who is out for a story that will blow the lid right off international affairs. Miss Montez decides to help him in tracking down the man who can give him the story. The excitement of the chase, together with the danger of death involved, make this a picture that will keep you right on the edge of your seat.

Tuesday-Wednesday brings Danny Kaye, "The Kid from Brooklyn" in the all out musical "Wonder man." With him are Virginia Mayo, Vera Allen, Donald Woods and S. K. Sakall in the more prominent roles and Allen Jenkins, Edward Bromberg, Virginia Gilmore and The Goldwyn Girls, and some of the hottest bands on stage, screen and radio. All in all, it is a picture designed to remove all gloom from your mind and to place

you in a very hilarious atmosphere. You'll like it.

Thursday-Friday William Powell and Esther Williams, with Angela Lansbury, James Gleason and Lewis Stone, move in for a two day run in "The Hoodlum and the Saint." This is another exciting episode in the life of Bill, who will be remembered in those wholly exciting stories of "Nicky" "private detective."

Saturday brings the usual twin feature program. First up is a Western actioner with Kirby Grant and Fuzzy Knight in the principal roles, under the title "Trial of Vengeance." It carries the usual amount of "cowhand action, story and enjoyment."

Second picture up is "Strange Conquest" with Jane Wyatt, Lowell Gilmore and well balanced cast of featured players in support. This one is a jungle story with many hair-raising episodes to satisfy all of the lovers of outdoor thrills.

See you at the movies. Mal.

## New Bulletin Is Plan For Pahokee Vets

Claude Jones of the Pahokee Veterans bureau is planning to publish a monthly bulletin for members of the Veterans Political Organization. The first issue is nearly ready for distribution and contains a great deal of interesting items that should make a hit with the veterans.

Mrs. D. E. Phillips who has been ill at the home of her nephew and niece, Mr. and Mrs. O. O. Taylor, in Jacksonville was able to return to the home of her son-in-law and daughter, Rev. and Mrs. C. T. Howes, in Pahokee this week.

## Funeral Held For Mrs. Ella B. Poulk

Funeral services for Mrs. Ella B. Poulk, widow of the late James Micaiah Poulk of Cairo, Ga., were held in Cairo on Tuesday afternoon.

Mrs. Poulk died Sunday morning, Oct. 20, at the home of her daughter, Mrs. J. F. Colson, in Pahokee, following a long period of ill health. She was born Aug. 28, 1874 in Kissimmee, Fla., and shortly after her marriage in 1901 she and her husband moved to Cairo where she lived until the death of her husband in 1940. She was a member of the Methodist in Cairo.

Survivors include her daughter Mrs. J. F. Colson; a grandson, Jimmie Colson, Pahokee; a sister, Mrs. J. L. Overstreet, Kissimmee; a brother, G. F. Bass, Winter Garden; and several nieces and nephews.

## Ronny Elliott Has Birthday Party

Ronny Elliott celebrated his ninth birthday anniversary at a basket supper and party given recently by his mother, Mrs. B. Elliott, at their home on Bacon Point Road. Guests were Jon Pope, Jimmy Colson, Don Beverly, Philip Allen Dulaney, Jimmy Schoeppel, Allen Segree, Tommy Elliott and Wayne Elliott.

Mrs. Minnie L. Hughes and Miss Minnie Ruth Flowers will leave Sunday for Madison for a few days visit with relatives. Mrs. Addie Martin, sister of Mrs. Hughes will return with them and spend the winter in Pahokee.

## Chief Morgan Gives Clarifying Statement

Pahokee Police Chief Altman Morgan, in commenting on the proposed merchants patrol to be formed in Pahokee by an individual had the following to say yesterday: "The proposed patrol is in no way connected with the police department and will have no connection with the department. Our police cars are equipped with two-way radio sets and a patrol car is on duty at all hours, therefore, business houses are assured of a service from the police department to which they are entitled through payment of taxes. Our department will continue to give the citizens the very best of police patrol service that it is humanly possible to give."

## DeMoya Tells Lions Of Radio System

P. P. deMoya, Florida Power and Light company manager in the Glades, told Pahokee Lions on Tuesday of the recent installation of two-way radio telephone service by the company. All trucks are equipped with the radios and service—interrupted by storm or accident—can be restored much more quickly than in the past. Mr. deMoya pointed out that the ever expanding agricultural area on Lake Okeechobee calls for such modern equipment as has been installed by the power company.

Mrs. Minnie L. Hughes and Miss Minnie Ruth Flowers will leave Sunday for Madison for a few days visit with relatives. Mrs. Addie Martin, sister of Mrs. Hughes will return with them and spend the winter in Pahokee.

## Intermediate Group Honored At Party

A party for members of the Intermediate Department of the Methodist Church School was given by Mr. and Mrs. Harley T. Williams, hosts, in the patio of the Williams home on East Main Street Saturday evening. The Halloween motif was gaily used in party decorations. Mrs. R. F. Hurt, intermediate MYF leader, and Mrs. W. H. May assisted the hosts in the entertaining and the serving of refreshments.

Members attending were Dale Maxwell, David Ramey, Patsy Elliott, Louise Hatton, George and Jimmy Rozelle, Jackie Thomas, Tinker Christian, Mary Ann Howes, Carol Snyder, Chandler McIlwain, Lovda and Delores Williams, Myra Cruthirds, Bobby Mackey, Bobby Schroder, Anna Lee Hurt and Rita Fay Hurt. Guests were Zella Jones, Betty and Martha Culverson, Joan and Frank Rosenberg, Patsy Maxson, Ruthlyn Kemp, Bobby Moberg, Vonell Davis, Gloria Stuart and Donna Lynn May.

## Pahokee Lions Have Total Of 77 Members

The Pahokee Lions club now has a membership of 77, according to an announcement by the secretary at Tuesday's meeting. The club was organized in 1936. Duncan Padgett is the president and I. J. Frasure, Jr., is secretary. The club meets in its on building at the rear of the Bank of Pahokee.

Mrs. William T. Blair is attending a Methodist training school in St. Petersburg this week, specializing in nursery department work.

## Adequate Service Depends on Adequate Earnings

**A** The amount of money paid out to provide telephone service is increasing faster than the amount taken in.

**B** Telephone earnings are the lowest in history.

**C** Reasonable telephone earnings are essential to good telephone service.

Your Telephone Company is doing the largest volume of business in its history, yet telephone earnings continue to decline. The reason is perfectly clear. While your telephone rate has remained the same for many years, the costs of furnishing you service have increased. Wages, telephone materials, building costs, services; all have been going up so fast that—

*the amount of money Paid Out to provide service is increasing faster than the amount Taken In. Actually telephone earnings today are the lowest in our history.*

It is basic with any business that good service depends on reasonable earnings. To provide good telephone service and to continually improve and expand it, reasonable earnings are essential.

Our public duty demands that we give you these facts.

## A MESSAGE OF INTEREST

to all who await deliveries  
of new Chevrolets

We want you to know that everything possible is being done to speed deliveries to you; but production still lags far behind schedule—*even though Chevrolet has built more cars and trucks than any other manufacturer from January through September 1946*

**W**E REALIZE how eagerly you are awaiting delivery of the new Chevrolet you have ordered from us, and we want to pass on to you the latest information received from the Chevrolet Motor Division, even though that information isn't too encouraging at this time.

It is true that *Chevrolet leads all other manufacturers in total production of passenger cars and trucks from January through September 1946*, despite the fact that Chevrolet was out of production entirely during the first three months of this year. It is also true that Chevrolet has continued to maintain its lead in total production during the third quarter of 1946. And yet production is still running far below desired levels, with the result that Chevrolet's output of cars and trucks through September 1946 was only 38.7% of the number produced during the corresponding period of 1941.

This means it may take many months for the Chevrolet Motor Division to reach peak

production of new Chevrolets—even longer to fill the unprecedented demand for this product of BIG-CAR QUALITY AT LOWEST COST—and, for the present at least, "there just aren't enough Chevrolets to go around," much as we wish there were.

However, we want you to know that new Chevrolets are leaving the plants in the largest numbers possible today. The Chevrolet Motor Division tells us it is doing everything it can, in the face of continued suppliers' strikes, material shortages and manpower problems, to step up shipments to us and to all dealers, in accordance with a predetermined distribution plan assuring each dealer of his fair allotment, based on 1941 passenger car sales. And we, in turn, are doing our best to deliver new Chevrolets to our customers as rapidly as they are received and in the fairest possible way. We are too appreciative of your loyalty and good-will—too grateful for your patience and understanding—to do anything less than continue to serve you to the very best of our ability.

## KEEP YOUR PRESENT CAR RUNNING

Meanwhile, the most important car of all to you is the car you are driving now. May we suggest that you keep it in top running condition until your delivery of your new Chevrolet, by bringing it to us for skilled service now and at regular intervals. Remember—cold weather is hardest on old cars. Please see us for a complete check-up today. . . . And, again, thank you!

## Family Day Planned For C. P. Methodists

Sunday, October 27, will be Family Day in the Canal Point Methodist Church. At the time of the Sunday School session at 10 a. m. special recognition of the families present will be made. The entire Sunday School will meet together for the first part of the hour and a special program of interest to all will be presented. At the time of the class periods, the new order of classes, arranged at the last meeting of the Sunday School Board, will be used. Under this plan the following teachers and officers will serve:

Sunday School Superintendent: N. V. Maxson.

Treasurer: Earl Maxson.

Nursery, Beginner, and Primary Department (up to 8 years): Mrs. W. P. Jernigan, Mrs. T. W. Griffith, Mrs. C. L. Stewart, Mrs. J. Miller, Margie, Adams, and Betty Ann Sears.

Junior Class: Mrs. Frank Wilson, Mary Helen Hooks.

Junior High Class: Mrs. J. P. Parker, Marion Stokes.

Senior High Class: William Johnson.

Post-High Class: William Blair.

Women's Class: Mrs. Pratt Pope.

Men's Class: Mr. O. H. Coleman.

Substitute Teachers: Mrs. Blair, Mrs. Coleman, Mrs. Dard.

The Morning Worship Service at 11 will carry on the Family Day theme with a sermon by the minister on "A Little Bit of Heaven."

The text of the sermon is found in Ephesians 6: "Children, obey your

parents: for this is right . . . and ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord."

The Evening Service at 7:30 will also be built around a family theme with the third of the series on "Triumphant Certainties" in which we are examining together the foundations of our faith in our informal evening services. The series, entitled "You Can Find the Gift of Giving" is taken from the promise in Galatians 6:7: "Whatsoever a man soweth, that shall he also reap." All families and individuals of the community are invited to attend these services.

The W. S. C. S. announces that its annual Quiet Day of Prayer will be held at the church on Tuesday, Oct. 29 beginning at 10:30 a. m. The program is under the direction of Mrs. Sleglinger. Those attending are asked to bring sandwiches. Lunch will be held in the parlors.

The W. S. C. S. District Conference to be held at White Temple, Miami, on Wednesday, October 30 at 10:30 A. M. will be attended by a group from the church. A car driven by the minister will leave the church at 7:30 A. M. Those desiring to attend should notify Mrs. A. R. Harrington at once.

The Men's Bible Class voted last Sunday to sponsor a church-wide Father and Son outing during the week of November 10 in keeping with National Father and Son week. Details will be announced.

Mrs. William T. Blair spent the week at the Nursery Lab School of the Methodist Church held in St. Petersburg. One of 15 women representing the Methodist Churches of Florida, she reports an extremely valuable and profitable week of work at the school.

The Methodist Youth Fellowship for boys and girls 12-23 plans an outing for November 2. This will be a day-long affair, details to be announced after the next meeting Monday at 7:00 p. m.

The Junior Fellowship for boys and girls from 8 to 12 now has an enrollment of 16. The group meets every Friday after school at 3 p. m. A "Wiener Roast" and Halloween Party" is planned for Nov. 1 at 3.

### COVERED DISH SUPPER

A covered-dish supper was enjoyed by members of the First Baptist Intermediate Training Union at the Fellowship Hall Monday night with Mrs. F. G. Gillis, leader, in charge of arrangements. A. C. Santo gave a talk on "Planning Our Work and Working Our Plans." Approximately 20 young people were present.

## Surplus Property To Be Sold To Veterans

Of interest to local veterans is a government surplus property sale of trucks, jeeps, passenger cars and motorcycles which was started at various Army camps throughout the State of Florida on Oct. 18 and will continue through Nov. 6, according to Claude S. Jones, head of the local Veterans Service office.

However, only those veterans who already possess priority papers for the purchase of motor vehicles will be able to take advantage of these sales, Mr. Jones said. For further details contact Mr. Jones at the Veterans office.

Dr. R. K. Vorhees of Lakeland spent Wednesday in the Glades on business.
